

**summer
2010**

Operation: MATH

Enroll Today!

www.davis314.org

*****Begins June 21st, 2010*****

Late sign-ups are always welcome.

Operation: MATH is designed to give 5th through 12th grade students individualized math practice during the summer.

Students receive assignments via email and complete them at their own pace.

Arithmetic, Algebra, Geometry, and more!

Assignments are created based on the needs of each student.
